TRANSFER

ML-Class™

Custom Truck, Custom Options

Maximize your return on assets with the **roll-off** option.

Cart tipper (shown with bucket extension) facilitates semi-automated collection of poly carts.

Pressure washer is ideal for outside cleaning of furniture, fixtures, and containers.

HL Arm services Hyd-A-Ways with a closed-loop hydraulic system; bucket extension packs more volume per cycle.

Variable Compaction Technology (VCT™)

Large lined hopper ideal for receiving oversized bulky items

Liquid & powder paint process achieves a high gloss, durable finish

Liquid tight self-locking tailgate

Optional Hook-lift to maximize utility

Manual controls standard; electronic controls optional

Loading bucket can load and pack or simply load, depending on material type.

Optional dual steer stand-up cab

More Options:

- Barrel dumper
- Cart Dumper
- Litter Loder Vacuum
- Utility Cabinet
- Trailer tow package
- Leasing available
